

Hi Emry,

I've followed up with staff:

Pack's Shuttle LLC (UBI# 604-030-516) and Pack's Delivery, LLC d/b/a Pack's Taxi & Delivery (UBI# 603-197-968) are two separate businesses. These names do not align with the previous certificate issued by the commission, which was "Pack's Delivery LLC d/b/a Pack's Shuttle" and likely the source of your confusion.

Here is a brief timeline:

- Pack's Delivery LLC d/b/a Pack's Taxi & Delivery (UBI# 603-197-968) applied for charter and excursion authority back in December 2015 and later amended the application to reference Pack's Delivery LLC d/b/a Pack's Shuttle. The commission then issued a charter and excursion certificate (CH-67051) to Pack's Delivery LLC d/b/a Pack's Shuttle on March 3, 2016, in Docket TE-152360. That certificate (CH-67051) was canceled on March 20, 2017 due to insufficient proof of insurance.
- Pack's Shuttle LLC (UBI# 604-030-516) applied for charter and excursion authority back in September 2016. The company voluntarily dismissed this application on July 13, 2017.
- The company referred to in Docket TE-180710 is "Pack's Delivery LLC d/b/a Pack's Shuttle" because the violations of RCW 81.70.260 pertain to unlawful operation **after certificate or registration canceled**.

The enforcement actions taken in Docket TE-180710 were specific to the advertisement and offer from "Pack's Shuttle," however the investigation names "Pack's Delivery LLC d/b/a Pack's Shuttle" for the reasons above. The current taxi service and food delivery service offered by Pack's Delivery, LLC d/b/a Pack's Taxi & Delivery are regulated through the Dept. of Licensing and have no affiliation with the charter and excursion conduct referenced in Docket TE-180710.
